INTRODUCTION

I am aware this is not ALL ADDRESSES one could find and embrace in his work on Introducing Discovery of such importance to the world. Yet, I know all of you will be impressed with massiveness of the work I have embarked and fulfilled on sending Volumes of Discovery, in English and in Russian to such many contacts during those horrid four years of Second Assault on me by Conspiracy of Russia, America, England, Israel, France, Vatican and don't know who else help them.

This is the lot of heaviest burden I got altogether with my talent to make this Discovery for the WOrld. I did not spare myself, as you can to ensure yourself once more.

I am publishing these addresses for two purposes:

to protect those Media and Universities who feels uncomfortable to say truth in situation when, as Orwell brilliantly putted it «Truth becomes Treason in Empire of Lies".And my Second purpose is to ensure entire world that I did performed this titanic work too, that all these multiple addresses many times received all my Volumes on Discovery, and that I tried to not forget any continent or any race of humankind. Of course I couldn't send it literally to every single country, but at least I can say with all confidence that all cultures of the world have seen it.

And certainly, again, these are not absolutely all contacts I have been reaching out to, for I contacted with all pages of Media and Universities I could find on Facebook. I have filled many times online forms for contacts of WashingtonPost and Vatican, I sent many messages on Facebook pages of WashingtonPost. The only answer were regular automatic messages numbers of my filed requests on my email, and never one single word from alive person.

On story with my negotiations with Cambridge University Press

and Oliver Stone and his co-author Peter Kuznick I reported in my previous publications.

I really think, Dear Media and University, that your Silence in circumstances of apparent Murder of AUthor of Great Discovery is a Treason of Truth. You know all this citations of Einstein, Orwell and many others on Evil thriving when honest people are silenced. I have no strength even to click button to fond them for you — it is third day now of my temperatures level on 0ver 39 grades. I am as weak as dead and I still have to perform every day acrobatic stuts to treat my wounds

And I cannot think of hospital without aid of Media: they will lock me out in madhouse of Prostitutes and Pedophiles. A few words in Pressa would let me at least to go to hospital safely — whatever diagnosis on my fourth stage of incubial ulser they will find this time, death or life no doesn't matter. Safety from Satans from Secret Services the only thing which matters. Doctors are honest, good people, saving lives, but what can they do against pressure of such dictator like Putin's regime and his allies throughout the world. If even you, Third Power of Free World, are silenced to such degree! Are you also ready to help them to vilify me? Take my word: Discovery is mine. If it really has any value, no one except me, the author, would be able to introduce Discovery to the world.

You know very well how well they can Lie — Satans, Fathers of Devil. You see very well, that Trump is imitating Putin's regime in everything, especially in hate to Science, Intelligence and Morality. Discovery exposes them as Satans and AMorphous Serpents! They will lie and confuse and mess things while you are left without Discovery! I am still living and keep saying such consummate absurdities on Discovery, because they cannot make head from tail in science, they did not perform, in science that exposes them as Fraudulent Amoral and Dishonest Villains!!

I don't complain though. It is better, everything is better than to commit Treason of Truth. All my life I dedicated to service of God, that is to say service of Truth, and will die on this road. Whatever miserable lot waits for men on their road to Truth, it is

Bliss, because you still preserve your Energy of Spirit, — the only treasure worth to care for. Whatever Castles men acquire within service to money and power, selling truth and conscience, they prepare themselves only disappointment of Burst of Soap Bubble, because material energy is disease, parasit, it is doomed to be eliminated with correct education on knowledge of Discovery. For details, on decisive crisis of American Republic, on mortal war between Scientific and Physical controls, and desperate endeavors of Conservatives to secure Physical control and to introduce Scientific control of Discovery as «stupidity of woman» look please my volumes and my Facebook posts! They will die to take from you Scientific Control of Discovery! Remember that! They love Darwinian paradigm, because it is not science, it is bomb under social science, providing thriving of physical control for eternity! Moreover! It not only removes science, its Lie gives Satans theory which absolutely Justifies all their Stupidity and Dirt of Dead Amorphous Serpents! Solidarity with Chesterton^ it is Black Mass! ANd again Moreover! It secures the maimed and crippled invalid conditions of dearest sphere for every living soul: the Revelations on Energy of Spirit, made in Axial Age of Antiquity! and thus it secures for that dearest sphere of living Souls not Christ and his Holy brothers prophets, but AntiChrists, twisting imperfect word ancient, not scientific word wherever they please!

Spare yourself from this miserable lot, don't let Satans to vilify honest name of civilization and democracy! They are doomed! Truth will be triumphant! Lets make it our mutual Triumph!!

Though it is your choice. I am slowing down. Kindest regards,

Tesla Leila Khugaeva Thinikashvili,

Author of Discovery of Psychic Energy, Author of Scientific Revolution Energetics
